

December 1965

Christmas Message

from Bill

IN this season of all seasons we are filled with gratitude beyond expression, for the great gift of His Grace — the Grace that has set us free to live and love. Having so freely received let us freely give, as never before.

Lois joins me in deep and confident faith that this Christmas of 1965—AA's Thirtieth Anniversary Year— will be seen as our finest yet.

In Affection

Bill
